BAG IT UP FOR GOODWILL

THE BAG IT UP DONATION CHALLENGE FOR GOODWILL

April 1, 2020 – April 30, 2020

The Bag It Up Challenge encourages and empowers elementary school students to help make positive change in their community.

By gathering gently loved items from friends, family and neighbors and donating them to Goodwill, students are doing their part to help keep items out of landfills. Even better, proceeds from the sale of these items at Goodwill stores help to change the lives of those in their communities by providing much needed services like job training that allow for individuals to achieve their highest level of independence.

This challenge reminds students that together, we can do good for our community and our planet.
